Welcome Back To School

Our dear students started their new academic year with energy and vitality. The kindergarten welcomed them with many fun activities and events.

Dr. AbdulRahman Al-Harami welcomed all the students during his class visits

Parents Orientation Day

Ayalna kindergarten had the honor to invite the parents to our parents program which was held on Saturday September 09,2023 at the Torch Hotel in the presence of our senior management Executive Director Mr:Youssef Ahmed and the Educational Consultant Dr :Abdulrahman AlHarami , Ms Eman Awad /manager of Al-Hitmi Branch and Ms Helen Abdullah /manager of Muaither Branch. The main aim of this event was providing parents with essential information about our kindergarten system, goals, curriculum, assessment, as well as our policies

Jungle animals Day

Our kindergarten organized a Jungle day, where the students performed different and varied activities about animals and, Dr. AbdulRahman Al-Harami the educational consultant of our kindergarten joined the students for the day.

Awareness workshop

Believing in the principle of community partnership the kindergarten organized an awareness workshop for our students entitled (How to protect myself) presented by the protection and social rehabilitation centre (Aman)

Day with my mother

We believe that the learning process is a continuous process that requires close cooperation between all parties involved in the educational process. Hence, mothers were invited to join their children for a day in the kindergarten.

Fun with colors

To make our kids aware about colors and how they add beauty to things around us, the kindergarten organized "FUN WITH COLORS" festival. Through which the students were able to spend an exciting and enjoyable time together.
